 Version 2023.1 (released March 1st, 2023 | valid from April 1st, 2023) 2

 Version 2021.1 (released February 26, 2021) 2

The international Software Architecture Qualification Board ([iSAQB](#)) defines curricula on several levels for software architects. You can find download links in the following sections.

The **Foundation Level** curriculum is currently maintained and published in both English (EN) and German (DE). Maintainers from the Foundation-Level-Working-Group and voluntary reviewers collaborate on [GitHub](#) to improve the curriculum.

Available Versions

Version 2023.1 (released March 1st, 2023 | valid from April 1st, 2023)
