Qualification Board

# Certified Professional for Software Architecture® (CPSA)

- Foundation Level Curriculum – Release Candidate -

2023.1.RC-2-EN-20221213

International Software Architecture  
Qualification Board

**Table of Contents**

Current Release Candidate v2023.1 ..... 2

Changes compared to 2021.1 ..... 3

The international Software Architecture Qualification Board ([iSAQB](#)) defines curricula on several levels for software architects.

The **Release Candidates** of the **Foundation Level** curriculum are currently maintained and published in both English (EN) and German (DE). Maintainers from the Foundation-Level-Working-Group and voluntary reviewers collaborate on [Github](#) to improve the curriculum.
